

I have a dream

Mh - Doot, doo doo doo doo doo doo mh,

I have a dream, a song to sing –

S: Doot, doo doo doo doo doo doo, to help me cope

I have a dream, with anything - I have a dream

If you see the wonder, of a fairytale,

you can take the future, even if you fail

I believe in angels, something good in everything I see.

I believe in angels when I know the time is right for me

I'll cross the stream – doo doo, doo, doo doo doo doo doo

I have a dream, a fantasy – to help me the through

I have a dream, realty

And my destination makes it worth the while

pushing through the darkness – still another mile.

I believe in angels, - something good in everything I see.

I believe in angels when I know the time is right for me

I'll cross the stream – doo doo - I have a dream

Doot, doo doo doo doo doo doo doo.

I'll cross the stream - I have a dream
